## Welcome to the SCP @APA 2024 Convention Programming Guide

*APA Division 17 schedule @ a glance:* <https://www.xcdsystem.com/apa/program/euJ3pFp/index.cfm?pgid=1639>

*APA Programming @ a glance:* <https://convention.apa.org/agenda/agenda-at-a-glance>

We are pleased to present the Society of Counseling Psychology (SCP) program for the 2024 American Psychological Association Convention, in-person in Seattle, WA. In light of global events that perpetuate harm against marginalized and vulnerable communities, there continues to be a need for counseling psychology to be responsive to social justice and the importance of holding the healing power of *Joy*. With that in mind, we hope you will find this year's programming timely and responsive.

As programming tri-chairs, we have made and concerted and intentional effort to center with programming that focuses on combating anti-Black racism, social justice, advocacy, and wellness. We remain honored to have such an engaging Society of scholars and practitioners who submitted their work, volunteered to review proposals, and who will be presenting programming on behalf of SCP to the greater APA community. 2023-2024 SCP President Dr. Helen A. Neville set her presidential theme as **“Justice & Joy: Transforming Healing Praxis in Counseling Psychology and Beyond.”** This year's conference will offer dynamic opportunities to witness practice, advocacy, leadership, and scholarly work in counseling psychology. We sincerely thank our Division 17 members, leaders and professional staff who allowed this programming to come to fruition.

As you prepare to set your agenda for the conference, please know that changes to the days, times, and locations may occur. We encourage you to review the official APA Convention Program or SCP@APA programming guide daily to stay current. We also invite you to follow and tag Division 17 on [Facebook](#), [Instagram](#), and [Twitter](#) as you participate in conference events. We hope you have a joyful experience connecting, restoring, liberating, and networking with colleagues, friends, and students at the convention.

In service,

**Pearis L. Jean, Monica J. Johnson, and Valene A. Whittaker**

# Welcome Message from the SCP President

Dear SCP Family,

Even a wounded world is feeding us. Even a wounded world holds us, giving us moments of wonder and joy. I choose joy over despair. Not because I have my head in the sand, but because joy is what the earth gives me daily and I must return the gift.”— Robin Wall Kimmerer, *Braiding Sweetgrass*

It is with joy, in all its complexities, that I welcome you to the Society of Counseling Psychology’s (SCP) Program guide. I began this welcome with wise words from Robin Wall Kimmerer because they reflect the moment we are in and the healing topics we discussed as a community over the past year.

Throughout the year we engaged in coordinated activities to interrogate the justice and joy components of healing with the hope of transforming our long-term theory and practice in research, training, advocacy, and therapy. We tackled questions such as what are models of healing that address the complexities of individual and collective wellbeing? What are the key justice issues impacting mental health? What is joy and how does it facilitate individual and collective wellbeing?

I look forward to seeing you in Seattle and continuing our exploration of issues related to my presidential theme – **Justice & Joy: Transforming Healing Praxis in Counseling Psychology and Beyond** – via programming within the SCP sessions at APA and the SCP Liberation Lounge.

I deeply appreciate the countless people in our community who are championing personal and collective healing, this includes facilitators and participants of the Justice & Joy activities, the Justice & Joy Committee Co-Chairs (**Dr. Lydia HaRim Ahn, Dr. Bryana French, Déjà Fitzgerald, Dr. Melissa Ertl, Dr. Lauren Harper, Dr. Melissa Morgan, Dr. Amy Reynolds, Dr. David Stanley, Chereese Waight**), [Committee Members](#), and graduate assistants: **Salman Safir, Whitney Clarke, Radia Luna, Salman Safir, and Chereese Waight**.

A special thank you to the APA Convention Programming Tri-Chairs – **Drs. Pearis Jean, Monica Johnson and Valene Whittaker** – and the Liberation Lounge co-chairs – **Drs. Cecile Gadson and Victoria McNeil Young** for their remarkable work and love they poured into envisioning and coordinating the programming and logistics.

I invite you to learn more about the Justice & Joy initiative and to dream with us as we prepare for the next steps in our field.
